

**Healthy and delicious
juice alternative**

Perfect for Seniors!

Froose[®] is an innovative new beverage that combines the best of organic whole grains and fruit. It's naturally low in sugar and provides as much fiber as eating a whole serving of fruit.

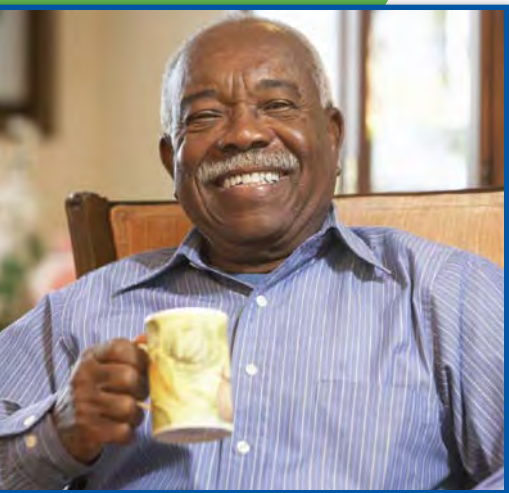

Considered suitable for diabetics, Froose[®] uses brown rice syrup and inulin fiber to have a minimal impact on blood sugar.

**Loaded with Complex Carbohydrates
& Nourishing Vitamins**

A Great Source of Fiber

Gluten Free

Kosher Certified

Available in handy individual servings in 3 great flavors:
Cherry, Peach and Pear.
